Contract Summary

Name of Proposing Organization: Integrated Community Alternatives Network, Inc.
310 Main Street
Utica, New York 13501

Title of Activity or Services: Care Transitions Intensive Case Management

Proposed Dates of Operations: August 1, 2024 – July 31, 2029 _____

Client Population/Number to be Served: High-risk individuals and individuals considered to be hard to serve in a community-based level of care, who are pending discharge into the community from hospital acute care, emergency department care, or other institutionalized settings.

SUMMARY STATEMENTS

1). Narrative Description of Proposed Services

The Contractor will provide two (2) full-time Intensive Case Managers to coordinate with Department staff to address the needs of those who face discharge from acute or emergency department care or institutionalized settings, but who do not have the natural supports that would ensure their safety upon discharge. These individuals, both children and adults, are defined as being at high risk of being discharged into the community with the need for community-based or residential services that will sustain them to live independently.

2). Program/Service Objectives and Outcomes

The Contractor will work collaboratively with the Department and discharge venues to plan for the safe and successful discharge of a patient. The Contractor will follow up with the patient for a period of 30 to 90 days post discharge via tele-visits and face-to-face home visits to ensure satisfactory implementation of all services on the individual's discharge plan.

3). Program Design and Staffing Level

Two full-time Intensive Case Managers will work with a target population that will include both children and adults of all ages, with a caseload of 15-20 at any given time.
