RE: Clean Water State Revolving Fund (CWSRF) Project No. C6-6070-11-00
Collection System Rehabilitation - District Wide

Dear County Executive Picente:

On behalf of Governor Kathy Hochul, I am pleased to inform you that your community has been awarded a NYS Water Infrastructure Improvement Act (WIIA) grant for the above referenced project.

Your WIIA grant has been awarded in an amount not to exceed \$6,625,000, based on information provided in your application, including total estimated eligible project costs. The Environmental Facilities Corporation (EFC) will determine the actual amount of your grant when the project is complete and final project costs have been confirmed. Your grant may be reduced if total project costs are less than anticipated or if your project receives grant from another source.

Please confirm your acceptance of the grant award and intent to proceed with this project by completing and signing the enclosed form and e-mailing it to nyswatergrants@efc.ny.gov no later than January 19, 2024. Without your confirmation, we may bypass your project and award these grant funds to another community.

As means of advancing this project, members of our EFC team will contact you to guide you through the program requirements and related processes, and to answer any of your questions. In order to remain eligible for these funds, your community must enter into a Project Finance Agreement or a Grant Agreement for the above project by September 30, 2025.

We appreciate your interest in the WIIA program and look forward to working with you on your water quality improvement project.

Sincerely,

A blue ink signature of Maureen A. Coleman, written in a cursive style.
