Dear County Executive Picente,

This BridgeNY project is for the replacement of a culvert on Craig Road over Sherman Brook in the Town of Kirkland. Oneida County has agreed to assist the Town of Kirkland with obtaining design and construction services and will assume project sponsor responsibilities. NYSDOT has committed to providing one hundred percent (100%) reimbursement of eligible Project expenditures, up to a maximum amount payable of Eight Hundred Ninety Nin in the form of Federal and State Aid.

Enclosed is an intermunicipal agreement with the Town, pursuant to which the Town will guarantee payment of any costs not reimbursed by the New York State Department of Transportation. The agreement is for a term commencing upon execution and ending September 30, 2034.

If the agreement meets with your approval, I ask that you please forward it to the Board of County Legislators for its consideration.

Sincerely,

*Matthew S. Baisley*
