RE: County-Tribal Agreement to House Inmates

Dear Honorable Members:

I enclose herein an agreement between Oneida County and the Oneida Indian Nation through which the County will provide detention for Tribal inmates at the Oneida County Jail contemplated by the Home Rule Request passed by the Board on May 8, 2024. This agreement will further the intergovernmental cooperation contemplated by the historic 2013 agreement between the Oneida Indian Nation, the State of New York, Oneida County and Madison County.

I respectfully request the Board's approval to enter into the enclosed agreement.

Thank you for the Board's prompt attention to this matter.

Very truly yours,

Anthony J. Picente, Jr.
Oneida County Executive
